LOCAL AND OTHER NOTES.

The City Laundry will be in operation next week.

The attention of holders of Mississippi Levee Bonds No. 1, issued under Act 1871, is invited to an advertisement in this issue.

Yesterday Mrs. Isidore Strauss and daughter, Miss Violet, and Mrs. Henry Strauss, left for Charleston, S. C., via Atlanta, Ga., with their visiting relatives from the two points named; they will stop for some time in the "Gate City," and thence to the "City by the Sea."

Among other contemplated improvements, it affords us pleasure to note that a handsome two-story brick building will soon take the place of the frame building now occupied by Mr. C. Cummings, on the corner west of this office. The frame building is to be moved to the rear, and will front on President street. Dr. James McWillie and Mr. J. M. Gray are the enterprising gentlemen who propose this improvement.
